The letter 'e' at the end of the word is stylized with a small burst of lines radiating from its top right, resembling a spark or a flame. The background of the entire slide is a dark red with abstract, lighter red circular patterns.

Central to the vision (see front) is Jesus. He's our ultimate goal and our partner for the journey. It's all about Jesus; being like him and being him to others.

Our hope is to create an honest, authentic and open student/18–30's community with Jesus at the core. Our hope is that this particular community will be an example of service, sacrifice and love to the wider church and Plymouth as a whole. *Will you join us as we journey together?*
